Company Overview

Gayload Farms LLC is a high-compliance federal contractor and logistics enterprise specializing in public sector IT software/hardware distribution, defense supply chain fulfillment, and specialized courier services. Leveraging Tier-1 distribution partnerships and deep government service contracting expertise, we eliminate supply chain bottlenecks for federal agencies (DoD, DLA, FDIC) and local commercial partners with speed, absolute compliance, and audit readiness.

Core Capabilities

Public Sector IT & SaaS Distribution: Authorized fulfillment of enterprise software subscriptions, networking hardware, and tactical technology for defense and public sector agencies nationwide.

Military Packaging & Defense Logistics: Compliant product fulfillment adhering to federal procurement protocols, including MIL-STD-129 packaging, strict chain-of-custody tracking, and DoD/DLA supply chain standards.

STAT Medical Logistics: Urgent, time-sensitive transport for lab specimens, pharmaceuticals, and medical supplies adhering to strict HIPAA and medical transport protocols.

Hybrid Legal & Mobile Notary Courier: High-priority, secure hand-delivery of time-sensitive legal filings, court documents, real estate closing support, and certified on-site notarizations.

Differentiators

Socio-Economic Advantage: Directly assists federal agencies and prime contractors in meeting **HUBZone** and **WOSB** small business utilization goals.

Agile Tier-1 Sourcing: Direct partnerships with major national distributors (TD SYNEX) ensuring authentic manufacturer supply chains, competitive pricing, and rapid delivery.

End-to-End Compliance: Complete operational transparency, real-time tracking, and experienced executive oversight dedicated to zero-defect execution.
